

GLOBAL BUSINESS TRAVEL

Take your hotel program to the next level

With American Express Global Business Travel, a leader in corporate travel, you have access to the most valuable hotel marketplace in the industry.

Together, we can build your program, bringing you more support, AI-powered innovation, and insights that deliver real results.

You'll also unlock the benefits that matter most to you. Advanced duty of care. Travel program savings. Flexible payment options. Complete visibility.

More choice than ever

Give your travelers what they want with intuitive recommendations and no need to shop anywhere else. The widest choice. Global coverage.

- Over 2 million accommodation options.[1]
- AI-powered recommendations that learn from booking patterns to show the most relevant hotels first.
- Rates from the GDS and online travel agencies.
- Choice of traditional hotels and alternative accommodations.

Added value for travelers and arrangers

Access great rates and flexible payment options in one place, saving more with deals that aren't available anywhere else.

- **Up to 20% off** Best Available Rates.[2]
- **Preferred rate programs** designed for business travelers.
- **Flexible payment solutions,** including virtual cards and centralized billing, designed for modern business travel.
- **Unique access** to rates not available to the public.
- **Extra amenities** and benefits your travelers want.
- **Intelligent savings** optimization that identifies lower-cost options post-booking.

Experience AI-powered innovation

Let our technology work for you. Improve your user experience with intelligent automation, seamless service, and optimized displays.

AI-powered recommendations: Machine learning analyzes historical booking data to give the most relevant hotels.

Intelligent re-bookings: Our Hotel Savings Finder identifies lower-cost like-for-like options post-booking, optimizing savings with no extra effort.

Dynamic rate caps: Hotel price caps automatically adjust according to local pricing, keeping bookings in policy while offering flexibility.

Flexible payment options, including virtual cards and centralized billing.

Optimized display with rich content, sustainability indicators, and policy limits.

24/7 travel assistance from experienced hotel servicing specialists.

Turn data into actionable insights

See the results firsthand from a trusted partner, with complete visibility and actionable insights backed by decades of experience.

Reports showing spend and sustainability metrics.

Data-driven insights to empower decision-making.

Support from hotel consulting and program optimization teams to build and grow your program.
