

Get on board with our travel partner

Now that you've joined it's time to get to know Amex GBT Select (Select™), our travel management partner. Everything from booking to invoicing is easier with the backing of our travel partner, we've made it our policy to book all flight, hotel, and ground transportation through Select™ channels. It's the only way to get:

24/7 personalized service from travel counselors.

The convenience of the Amex GBT Mobile app.

Preferred rates on flights, hotels, and car rentals.

What now?

Complete your traveler profile at:

What next?

Download the Amex GBT Mobile app on your Apple device by visiting the App store, or on your Android device by visiting the Google Play store.

App features include:

- Real-time travel itinerary
- Flight check-in
- Gate locations
- Chat 24/7
- Travel disruption notifications
- Flight carbon emissions

Ready to travel?

Make reservations on our booking portal. For international trips with two or more destinations, or if you have any questions, contact a live travel counselor 24/7.
